

HULBERT WRITERS

HOME SWEET HOME!

This year we had the opportunity to welcome back Coach Botts. When asked about his job transition from principal to teacher his response was, "For me the transition was not that much different, establishing trust and respect with my students and players." When asked, which do you like best - being principal or a teacher this is what Botts had to say, "As principal I was in the class a lot so it was not that much of a change for me I enjoy both. As principal there were more times where I missed teaching." Coach Botts did in fact miss his students though. He said, "At least one would run through my mind each day."

"DAY BY DAY"

**HULBERT
PUBLIC SCHOOLS**

When we asked Coach Botts what he was most excited about this year, his response was simple -- "New challenges in the classroom and on the football fields."

Welcome back, Coach Botts! We are so glad you are back home!

NEW TEACHER SPOTLIGHTS

MR. CLEARY

Mr. Cleary graduated from Lindsay High School. This is his second year of teaching. If he wasn't teaching he'd like to own his own restaurant. Mr. Cleary became a teacher because both of his parents are educators. He is our new AG teacher here at school. We are so happy to have Mr. Cleary here with us at Hulbert. Welcome, Mr. Cleary!

MRS. MCCLURE

Mrs. McClure graduated from Hulbert High School in 2005, she then went to Oklahoma Wesleyan University. Mrs. McClure is on her first year of teaching and while she isn't teaching Mrs. McClure also works at WW Hastings as an OB nurse. She was influenced by her parents and grandparents to be a teacher since they were all teachers. Welcome home, Mrs. McClure!

MRS. JONES

Mrs. Jones graduated from Crowder High School and graduated college at Northeastern State University. This is Mrs. Jones first year ever teaching. She's always wanted to teach first grade and she's glad she gets to do so here. If Mrs. Jones wasn't teaching, she'd still be wanting to do something with kids, like being a teacher's aide or a daycare teacher. Welcome, Mrs. Jones!

MRS. RIGSBY

Mrs. Rigsby graduated from McAllen High School and graduated college from Northeastern State University. This is actually Mrs. Rigsby's 4th year with Special Education. This is the third school she has taught at. Mrs. Rigsby wanted to become a teacher because of the "impact a teacher can have on a student." If she wasn't teaching Mrs. Rigsby would have liked to have been a veterinarian or a paleontologist. Welcome, Mrs. Rigsby!
