MRS DOWNS

Mrs. Downs graduated from Tahlequah High School, she then went on to NSU and TTC for college. This year is Mrs. Downs second year of teaching, though she was a para before. She wanted to be a teacher to be a positive, loving role model. Mrs. Downs teaches PreK-1st. She has taught at 3 schools, and she absolutely loves Hulbert! If Mrs. Downs was not teaching, she would be pursuing her travel agent business full time. She has made too many friends to name, she says everyone is just so nice!

COACH HALL

Coach Hall graduated from Hulbert High School, then NSU for college. This is her first year teaching. Seeing the impact that teachers can have is what made her want to become a teacher. Coach Hall would probably be a nurse if she was not teaching. She said she has made friends with everyone! Coach Hall does not have any children, but she does have 3 dogs and 12 chickens. Outside of school, she likes to ride fourwheelers, dirt bikes, side by sides, and watch her brother race. She also loves fishing, hunting, and anything outside.

MRS GARVIN

Mrs. Garvin graduated high school at Buffalo Valley then she went on to college for her bachelors at NSU, then masters in East Central. She has been teaching for twenty-seven years. Her grandma was a teacher and that inspired her to become the teacher she is today, she has taught at seven schools.
